Final Touch Nails
& Spa Receives Four Awards of 2011-2012-2013-2014 Talk of the Town Award!

Tucson, AZ (October 7, 2011):
Final Touch Nails & Spa has been named a recipient of the 2011 Customer Satisfaction Award for Excellence in Customer Care, presented by Talk of the Town News, Customer Care News and Celebration Media.

The award honors companies and professionals that provide excellent customer service, as reported by their customers through no-cost, user review websites. The reviews are analyzed by a team of researchers who calculate a star rating system based on these data, which determines a business's award eligibility.

To determine 2011 award recipients, Celebration Media's dedicated team of researchers spent more than 6,000 hours analyzing data from multiple websites that detailed customer's experiences at organizations across the U.S. and Canada. Among the types of organizations and professionals eligible to receive these awards are hospitals, dentists, accountants, physical therapists, veterinarians, optometrists, insurance, chiropractors, lawyers, financial planners, restaurants, bakeries, event centers, home improvement companies, florists, spas, salons and mortgage companies, in addition to several other categories.

This is the third year Celebration Media, Talk of the Town and Customer Care News have honored companies with its Customer Satisfaction Award for Excellence in Customer Care.
