We believe in five core principles that shape everything we do at Final Touch Nails & Spa, LLC and strive to practice them everyday:

- Providing a friendly atmosphere to accompany exceptional customer service.
- Using products of the highest quality for all of our services.
- Ensuring the health and safety of our customers through practice of the same standards set forth in the Arizona State Board of Cosmetology sanitation guidelines.
- Dedication to the art & craft by implementing the latest and most innovative beauty trends in America.
- Evoking satisfaction in every client by attending to each request .
