We proudly use DERMALOGICA, a skin care system developed by the International Dermal Institute, and other professional products.

Classic Facial

35 minutes

This complete treatment is the perfect blend of cleansing, toning, and moisturizing. A customized masque and relaxing hand massage are also included.

45

Aromatherapy Facial 45 minutes

Our Aromatherapy facial utilizes a deep cleansing and exfoliating process that restores your skin back to health. The aromatherapy, pressure point massage that proceeds will stimulate blood circulation and revitalize the skin's tissues while the hands experience a soothing massage. We conclude this treatment with a masque, moisturizing cream and sun protection to reveal your skin's natural, healthy glow.

55

European Facial 60 minutes

We begin this nourishing treatment with a deep cleanse and gentle exfoliation to reveal smooth, glowing skin. A face, neck, and shoulder massage will follow to ease your mind and spirit, while a massage to your hands will promote relaxation. This process will revitalize and protect your skin from harmful sun rays and help restore the natural balance of your skin.

70

Acne Treatment Facial 75 minutes

To clear away blemishes, we perform a deep cleansing treatment that can be customized for both teens and adults. This facial kills bacteria, eliminates oil buildup in pores, reduces breakouts and improves skin condition. Treatment includes appropriate extractions and a high

frequency light that removes impurities.

80

Micro-Dermabrasion 50 minutes

This unique approach to skin care removes dead, flaky skin cells and stimulates the production of fresh young skin cells and collagen. It is the ultimate advancement in non-invasive, non-surgical treatment to enhance skin condition. It will combat the signs of aging skin, including fine lines, dark and pigment spots, and acne scars. Most importantly, it is safe for use on all skin types and colors.

1 Session 85

3 Sessions 240

6 Sessions 450

* A series of Micro-Dermabrasion is recommended for improvement of acne scarring, fine lines and uneven pigmentation.
